Patio Gardening just got easier – Terrace Treasures® instant Patio Planting

John Woods Nurseries have selected a range of hardy 7.5Lt specimen shrubs and combined them with contemporary ceramic planters to make merchandising and maximising sales of hardy plants for the outdoor living area easier for busy plant buyers. The Terrace Treasures® range includes popular hardy plants such as: Prunus Ko-jo-no-mai, Coprosma Pacific Night, Phormiums, Yuccas, Acers, Robinia Lace Lady, Fatsia japonica, Leycesteria Golden Lanterns, Rhus Tiger Eyes and Weigela Wine and Roses.

This instant ready-to go presentation makes Patio Gardening easier for busy gardeners and consumers who want a leafy lush outdoor living area without the hassle of planting and potting.

Jo Davey, Marketing Manager, explained, " Looking at the current trend for smaller gardens and convenience gardening, the consumers attracted to Terrace Treasures® are likely to be marginal gardeners, looking for instant impact. Plants in this range also make ideal gifts."

Available for delivery from Spring '08. The range retails from £35 to £60 depending on variety. For more information contact John Woods Nurseries on 01728 745145.
