Found as a sport of the top-selling Coprosma Pacific Night at John Woods Nurseries. New to the market in 2010. Winner at IPM 2010 - Patio Plant Innovation Striking evergreen variegated foliage

- Neat upright habit and year-round interest make it ideal for container gardening
- Drought tolerant once established. Hardy to -5°
- Eventual height and spread 1.5x1.5m

PBR

Cordyline australis Burgundy Spire 'Je101'

Erect small evergreen palm like tree
 Deep burgundy long narrow leaves
 Good structural plant
 Grow in full sun or partial shade in any good garden soil
 Height and spread 3 x 1 m

PBR

Cornus 'Venus'® 'Kn308'

Cornus Venus™ is recognisable by its extremely large creamy-white bracts which often reach a diameter of 15cm and appear for up to three weeks from mid to late May. The striking bracts make an unusual and long-lasting addition to cut-flower arrangements.

The plant is vigorous and hardy, has large glossy leaves and sets a large amount of flowering buds - even when young. Beautiful autumn colour in shades of yellow, orange and violet add an extra season of interest.

PBR

Diervilla Cool Splash ('LPDCPODASA')

Another member of the First Editions range, the US-developed Cool Splash™ is perfect for brightening up those dry shady spots. The eye-catching, crisp white variegation thrives in dry shade and is also happy in full sun. A densely-branched deciduous shrub closely related to Weigela, Diervilla sessilifolia Cool Splash™ is hardy, easy to grow and keeps its clean fresh variegation well into autumn. Producing tiny yellow flowers in late May/June, Cool Splash reaches a height and spread of approximately 1m x 1m in five years.

PBR

Helichrysum italicum 'Korma'

Compact silvery leaved shrub
 Dark yellow flower heads in summer
 Aromatic silver-grey foliage more intense in summer
 Prefers light soils and full sun
 Height and spread 60 x 60cm

PBR

Hydrangea Endless Summer® Blue ('Bailmer')

Flowers throughout the summer, year after year
 Ideal for patio pots, beds and borders
 Good for cut flower decoration
 Easy to grow in a well drained soil in sun or partial shade
 Height and spread 1-1.5m (3-5ft)

PBR

Hydrangea Endless Summer® Pink ('Bailmer')

Flowers throughout the summer, year after year
 Ideal for patio pots, beds and borders
 Good for cut flower decoration
 Easy to grow in a well drained soil in sun or partial shade
 Height and spread 1-1.5m (3-5ft)

PBR

Hydrangea Endless Summer® 'The Bride'

Flowers throughout the summer, year after year
 Ideal for patio pots, beds and borders
 Good for cut flower decoration, pure white flowers with a hint of blush.
 Easy to grow in a well drained soil in sun or partial shade
 Height and spread 1-1.5m (3-5ft)

PBR

Hydrangea Endless Summer® 'Twist and Shout™'

Hydrangea Twist-n-Shout™, is the newest member of the Endless Summer range of repeat-flowering Hydrangeas. Its blooms have a pink centre surrounded by warm pink florets, which in acidic soil take on a periwinkle blue hue. Visual appeal is further enhanced in autumn when the foliage takes on attractive burgundy-red autumn tints. Twist-n-Shout™ boasts extraordinary repeat flowering characteristics and superior hardiness thanks to its Penny Mac and Lady in Red parentage. Mature height and spread are 1.5m x 1.5m.

PBR

Lavandula stoechas 'Papillon'

Dark purple flowers through the summer
 Compact shrub ideal for patio pots
 Very aromatic silver grey foliage
 Best in sunny spot in well drained soil
 Height and spread 45x45cm (18x18ins)

Leptospermum scoparium 'Martini'

A compact bushy evergreen shrub for mixed borders
 Red pink single flowers in late spring and early summer
 Narrow aromatic dark green foliage
 Prefers full sun and a fertile well drained soil -tender.
 Height and spread 1.5m x 1.5m

Prunus incisa Kojo-No-mai

Makes a reliable compact flowering shrub for the border
 Masses of pale pink flowers are produced in early spring
 Yellow green leaves turn to glorious orange-red in Autumn
 Prefers moist, well drained soil full sun or part shade
 Height and spread 1.2m x 1m
